### I WISH TO BE A SAILOR

My name is.....

I was born in .....

In my city there is .....

When I was a little boy, I spent my time .....

I liked .....

I also liked .....

I wished.....

But my father wanted me .....

I did not wish .....

I would be .....

So, when I was eighteen years old, .....

looking at the river

I went to sea

to learn a trade

a sailor

to watch the ships

to stay in York all my life

Robinson Crusoe

a broad river with ships coming and going

to see the world

the old city of York

to think of the strange lands far away
